Dear Mr. Sconyers:

Thank you for your letter providing me with the Advisory Commission on Childhood Vaccines' (ACCV) most recent recommendations on the National Vaccine Injury Compensation Program (VICP).

Your efforts regarding the oversight and improvement of the VICP are critical to its success. I appreciate the commitment from you and the other members of the ACCV to ensure the health and safety of our children.

Again, thank you for your leadership and advice regarding the VICP. I look forward to continuing to work with you on the important vaccine issues facing our Nation. A similar response has been provided to Ms. Buck.

Sincerely

Kathleen Sebelius
