

**Jackson Employment Center**  
**Department of Housing and Urban Development**  
**Supportive Housing Programs**  
**Progress Reports for FY 2002—2003**

The following is a summary of the five Department of Housing and Urban Development (HUD) Supportive Housing Programs of the Jackson Employment Center. The Supportive Housing Programs are considered transitional housing programs, and by definition, cover a period of 24 months to complete. The demographics of the population served are contained in each individual Annual Progress Report to HUD, which are included in this report.
