Improving Access to Mainstream Services for People Experiencing Chronic Homelessness

*Hilton Miami Airport and Towers
Miami, Florida
December 9-11, 2003*

DRAFT VISION STATEMENTS

DELAWARE

People, policy and programs striving together to end homelessness in Delaware.

IOWA

Iowa is committed to ending homelessness by ensuring that all persons have access to safe, decent, affordable housing and supportive services.

LOUISIANA

Together, Louisiana will end chronic homelessness.

We will achieve this through:

- Collaborative efforts between homeless persons and public and private partners at the local, State and Federal levels (raising the level of awareness and advocacy)
- Documentation of need
- Assurance of fair housing choice through service integration
- Utilization of a consumer-centered, holistic approach
- Creation of a no wrong door policy
- Creation of recommended standards and quality assurance for homeless facilities
- Assurance of support to independence
- Identification and maximization of available resources

MARYLAND

We envision a Maryland where homelessness is rare and brief.

NORTH DAKOTA

North Dakota is a compassionate State dedicated to ending chronic homelessness through enhanced coordinated services delivered efficiently and respectfully.

OHIO

Homelessness will not be an Ohio experience.

VERMONT

To end homelessness in Vermont through a creative and coordinated effort of statewide planning, policy and resource allocation.

VIRGIN ISLANDS

A comprehensive system for preventing and addressing homelessness.

WEST VIRGINIA

West Virginia will create and implement a seamless system, which meets the comprehensive needs of people who are experiencing homelessness or are at risk of becoming homeless.

WISCONSIN

The people of Wisconsin ensure that everyone has a home and the opportunity to succeed in their community.
