

State CSBG Administrators

The Community Services Block Grant (CSBG) program provides States, the District of Columbia, the Commonwealth of Puerto Rico, U.S. Territories, and federal and state-recognized Indian Tribes and tribal organizations, Community Action Agencies, and several hundred other locally-based organizations, funds to ameliorate the causes and conditions of poverty in communities. The funds provide a range of services and activities to assist the needs of low-income individuals including the homeless, migrants and the elderly. Grants are determined by a statutory formula based on each States' and Indian Tribes' population.
