Of Upsher-Smith Laboratories, Inc.

Upsher-Smith Laboratories, Inc. (USL) is adjusting its 340B Program pricing for the following NDCs of Fortical® and Vandazole® for the period from 4th quarter 2006 through October 2009:

00245-0008-35	Fortical® Nasal Spray 200 IU/3.7 mL

USL is also adjusting its 340B pricing for USL generic products bearing labeler code 00245 for the period from 1st quarter 1993 through 4th quarter 2006, and for USL generic products bearing labeler code 00832 for the period from 4th quarter 2003 through 4th quarter 2006.

USL has determined the credit amount owed to each affected covered entity. USL will be working with Apexus, the 340B Prime Vendor, to validate pharmacy account information for each entity. Once validated, USL and Apexus will work with the wholesaler to facilitate the processing of credit for the overpayments that the covered entity was charged for the indicated periods. If no active wholesaler account can be found, USL will issue a check to those entities.

Entities who were 340B covered entities and purchased Upsher-Smith products during the periods identified above may contact Annamarie Lee of USL (763-315-2221 or annamarie.lee@upsher-smith.com) to inquire about a refund.
