- Upcoming outreach to our constituent community on the Uniform Guidance requirements for:
 - Procurement System Standards and Requirements (Section 45 CFR 75.327)
 - Lobbying Activities (Section 45 CFR 75.214 and 75.450)
- Question about implementation of Uniform Guidance at your organization? Uniformguidance@HRSA.gov

Federal Financial Reporting (FFR) – SF425

- EHB FFR vs. PMS FFR
 - Annually (typically) vs. quarterly
 - Reporting expenditure of funds vs. reporting cumulative disbursements of cash withdrawn from PMS
- FFRs submitted late or not submitted at all can/will have a negative effect on your future funding.

Federal Financial Reporting (FFR) – SF425

- An overview of things that GMS's look for while reviewing the FFR:
 - Accuracy, reasonableness, completeness
 - Consistency with the terms and conditions
 - Final FFR reconciling with disbursement reporting in PMS
 - Unliquidated expenditures
- The FFR and carryover request via Prior Approval
 - The unobligated balance of funds

Sub-Accounting

- Background on Sub-Account Creation
- Carryover Considerations
 - Expanded Authority: HRSA will transfer the UOB from the G account to the P account automatically
 - No Expanded Authority (or UOB exceeds EA limits): prior approval is required to carryover funds
- Accessing Funds in the Payment Management System
 - PMS Account Number (ending in a P or B)
 - Sub-Account Code (located on NoA, bottom right box)
