

BON SECOURS
Maryview Medical Center
Bon Secours Hampton Roads

Dear Manufacturers,

I am writing on behalf of Bon Secours Maryview Medical Center (DSH490017) (“MMC”) to inform manufacturers that MMC recently underwent an audit by the Health Resources and Services Administration (HRSA) of MMC’s compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, MMC qualified for the 340B Program as a disproportionate share hospital in Portsmouth, Virginia, and has participated in the 340B Program since 2009.

Through the audit process, HRSA found MMC to have non-compliance within their 340B Program and responsible for repayment as a result of the following finding(s):

MMC obtained covered outpatient drugs through a GPO.

MMC dispensed 340B drugs to ineligible individuals, as prohibited by 42 USC 256b(a)(5)(B).

MMC has identified all affected manufacturers and has contacted each to notify them of these violations to begin a dialogue on a method for repayment to affected manufacturers. If manufacturers have not received notification from MMC and believe repayment may be owed for the violations described in this letter, or if you have any questions or comments regarding the violations described in this letter please contact Robert Stoneburner, Administrative Director of Pharmacy Services Robert.Stoneburner@bshsi.org or (757) 398-2407.
