Dear Manufacturers,

I am writing on behalf of Columbus Community Hospital (340B ID DSH450370) to inform you the Columbus Community Hospital (CCH) underwent an audit by the Health Resources and Services Administration (HRSA) on November 18-20, 2013 of CCH's compliance with the 340B Drug Pricing Program (340B Program) requirements.

As background, CCH qualified for the 340B Program as a disproportionate share hospital and has participated in the 340B Program since January 1, 2011. Through the audit process, Columbus Community Hospital was found to have non-compliance within their 340B program and responsible for repayment as a result of the following finding:

"CCH dispensed 340B drugs to ineligible individuals, as prohibited by 42 USC 256b(a)(5)(B).

Columbus Community Hospital has identified all affected manufacturer(s) and has contacted them to notify them of this violation. The manufacturer(s) have contacted CCH and repayment was made. If manufacturers have not received notification from CCH and believe repayment may be owed for the violation described in this letter, or if you have any questions or comments regarding the violation described in this letter, please contact James Vanek, CEO of Columbus Community Hospital located at 110 Shult Drive in Columbus, Texas 78934 or at 979-732-2371.
