Dear Manufacturers,

I am writing on behalf of Greenville Memorial Hospital, 340B ID (DSH420078) to inform manufacturers that Greenville Memorial Hospital recently underwent an audit by the Health Resources and Service Administration (HRSA) of Greenville Memorial Hospital's compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, Greenville Memorial Hospital qualified for the 340B Program as a Disproportionate Share Hospital in Greenville, S.C. and has participated in the 340B Program since April 1999.

Through the audit process, Greenville Memorial Hospital was found to have non-compliance within their 340B Program and responsible for repayment as a result of the following finding(s):

"Greenville dispensed 340B drugs to ineligible individuals, as prohibited by 42 USC 256b (a) (5) (B)"

Greenville Memorial Hospital has identified all affected manufacturers and is currently contacting each to notify them of these violations to begin dialogue on a method for repayment to affected manufacturers. If manufacturers have not received notification from Greenville Memorial Hospital and believe repayment may be owed for the violations described in this letter; or if you have any questions or comments regarding the violations described in this letter please contact the individual listed-
