Dear Manufacturers,

I am writing on behalf of ID Consultants & Infusion Care Specialists (“ID Consultants”) (RWI28209) to inform manufacturers that ID Consultants recently underwent an audit by the Health Resources and Services Administration (HRSA) of ID Consultants’ compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, ID Consultants qualified for the 340B Program as a Ryan White Part A Grantee and has participated in the 340B Program since April 1st, 2012.

Through the audit process, ID Consultants was found to have non-compliance within their 340B Program and responsible for repayment as a result of the following findings:

ID Consultants & Infusion Care Specialists dispensed 340B drugs to ineligible individuals, as prohibited by 42 U.S.C. 256b(a)(5)(B).

HRSA found twenty-two (22) prescriptions from contract pharmacies, written by ID Consultants’ prescribers, were dispensed to patients who were not receiving care under the Ryan White Program. Upon identification of this issue, ID Consultants suspended its use of contract pharmacies and has since withdrawn from the 340B program.

ID Consultants has identified all affected manufacturers and is in the process of contacting each of them to notify them of this violation to begin a dialogue on a method for repayment to affected manufacturers. If manufacturers have not received notification from ID Consultants and believe repayment may be owed for the violations described in this letter, or if you have any questions or comments regarding the violations described in this letter, within forty-five (45) days from the date of this letter, please contact: Peggy Herman, Administrator – ID Consultants & Infusion Care Specialists, 704-502-1596, 4539 Hedgemore Drive, Suite 100, Charlotte, NC 28209.

Sincerely,

Peggy Herman
