Dear Manufacturers,

I am writing on behalf of Community Hospitals of Indiana, Inc. (CHI) (340B ID DSH150074) to inform manufacturers that CHI recently underwent an audit by the Health Resources and Services Administration (HRSA) of CHI's compliance with 340B Drug Pricing Program requirements.

As background, CHI qualified for the 340B Program as a Disproportionate Share Hospital and is located at 1500 North Ritter Avenue, Indianapolis, Indiana 46219 and has participated in the 340B Program since April 1, 2008.

Through the audit process, CHI was found to have non-compliance within their 340B Program and is responsible for repayment as a result of the following finding(s):

- CHI dispensed 340B drugs to ineligible individuals, as prohibited by 42 USC 256b (a) (5) (B).

CHI has identified all affected manufacturers and has contacted each to notify them of these violations to begin a dialogue on a method for repayment to affected manufacturers. If manufacturers have not received notification from CHI and believe repayment may be owed for the violations described in this letter, or if you have any questions or comments regarding the violations described in this letter please contact Mr. Scott Teffeteller, President East Region/ Authorizing Official via mail at Community Hospitals of Indiana, Inc., 1500 North Ritter Avenue, Indianapolis, Indiana 46219.

Sincerely,

Scott Teffeteller  
President/Authorizing Official
