Dear Manufacturers,

I am writing on behalf of The Medical Center, Inc. (DSH110064) to inform manufacturers that The Medical Center, Inc. recently underwent an audit by the Health Resources and Services Administration (HRSA) of The Medical Center, Inc.'s compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, The Medical Center, Inc. qualified for the 340B Program as a Disproportionate Share Hospital in Columbus, Georgia and has participated in the 340B Program since July 1, 1995.

Through the audit process, The Medical Center, Inc. was found to have non-compliance within their 340B Program and responsible for repayment as a result of the following finding:

TMC listed incorrect or incomplete billing information on the 340B Medicaid Exclusion File. This may have resulted in duplicate discounts as prohibited by section 340B(a)(5)(A) of the PHSA.

The State Medicaid Agency has confirmed no duplicate discounts occurred. If manufacturers have not received notification from The Medical Center, Inc. and believe repayment may be owed, or if you have questions or comments regarding this letter, please contact Dr. Sherry Martin, Outpatient Pharmacy Coordinator, 710 Center Street, Columbus, GA 31901 at 706-321-3770.
