Dear Manufacturers,

I am writing on behalf of Omni Family Health (OFH) (340B ID CH091600) to inform manufacturers that OFH recently underwent an audit by the Health Resources and Services Administration (HRSA) of OFH's compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, OFH qualified for the 340B Program as a Federally Qualified Health Center (Covered Entity) and provides services within Kern County and has participated in the 340B Program since December 1, 1992.

Through the audit process, OFH was found to have non-compliance within their 340B Program and responsible for repayment as a result of the following finding(s):

- OFH listed incorrect or incomplete billing information on the 340B Medicaid Exclusion File. This may have resulted in duplicate discounts as prohibited by section 340B(a)(5)(A) of the PHSA

OFH has identified all affected manufacturers and has contacted each to notify them of these violations to begin a dialogue on a method for repayment to affected manufacturers. If manufacturers have not received notification from OFH and believe repayment may be owed for the violations described in this letter, or if you have any questions or comments regarding the violations described in this letter please contact:
