Dear Manufacturers,

I am writing on behalf of Rural Health Services Consortium (RHSC) (340B ID CH0412790) to inform manufacturers that RHSC recently underwent an audit by the Health Resources and Services Administration (HRSA) of RHSC'S compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, RHSC qualified for the 340B program as a Federally Qualified Health Center in Rogersville, TN and has participated in the 340B program since December 1st, 1992.

Through the audit process, RHSC was found to have non-compliance within their 340B Program and responsible for repayment as a result of the following finding(s).

Through the audit process, RHSC was found to have non-compliance within their 340B Program and responsible for repayment as a result of the following finding(s):

1. RHSC dispensed 340B drugs to ineligible individuals, as prohibited by section 340B(a)(5)(B) of the PHSA.
2. RHSC listed incorrect or incomplete billing information on the 340B Medicaid Exclusion File. This may have resulted in duplicate discounts as prohibited by section 340B(a)(5)(A) of the PHSA.

RHSC has identified all affected manufacturers and has contacted each to notify them of these violations to begin a dialogue on a method for repayment to affected manufacturers. If manufacturers have not received notification from RHSC and believe repayment may be owed for the violations described in this letter, or if you have any questions or comments regarding the violations described in this letter, or if you have questions or comments regarding the violations described in this letter please contact Linda Buck, CEO, 423-272-9163, PO Box 850 4966 HWY 11W Rogersville, TN 37857

Sincerely,
