Dear Manufacturers,

I am writing on behalf of University Medical Center of Southern Nevada (UMCSN), 340B ID DSH290007, to inform manufacturers that UMCSN recently underwent an audit by the Health Resources and Services Administration (HRSA) of UMCSN compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, UMCSN qualified for the 340B Program as a disproportionate share hospital located in Las Vegas, Nevada, and has participated in the 340B Program since 1994.

Through the audit process, HRSA found UMCSN to have non-compliance within its 340B Program and responsible for repayment as a result of the following findings:

Finding 1: UMCSN dispensed a 340B drug to an ineligible individual, as prohibited by 340B(a)(5)(B) of the PHSA.

Finding 2: UMCSN listed incorrect or incomplete billing information on the 340B Medicaid Exclusion File. This may have resulted in duplicate discounts as prohibited by section 340B(a)(5)(A) of the PHSA.

UMCSN has identified all affected manufacturers and upon request will contact each to notify them of these findings to begin a dialogue on repayment to affected manufacturers. If manufacturers have not received notification from UMCSN and believe repayment may be owed for the violations described in this letter, or if you have any questions or comments regarding the violations described in this letter, please contact Meddie Nazifi, Director of Pharmacy Services, at 702-383-7841 or Meddie.Nazifi@umcsn.com.

Sincerely,
