Who is the Consortium?

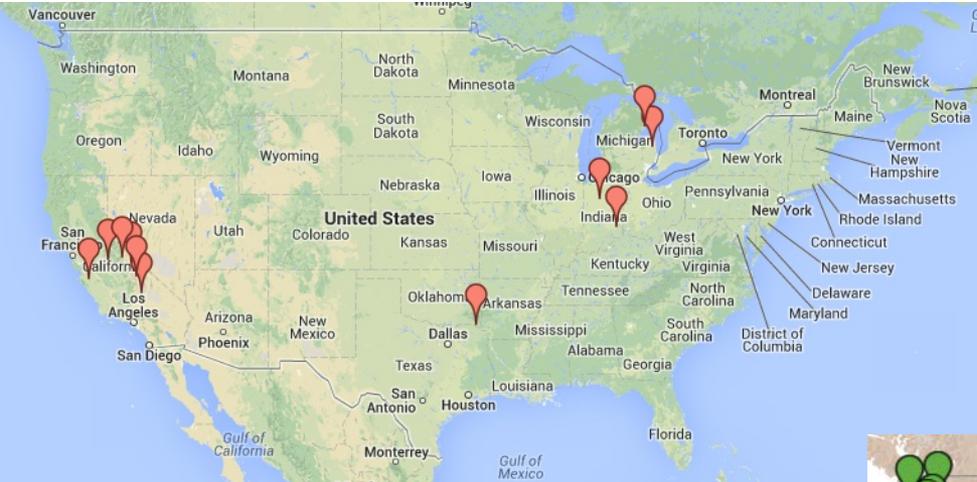

- The National Rural Accountable Care Consortium is a non-profit organization that supports rural healthcare transformation.
- Formed by rural providers to avoid being left behind.
- Awarded \$31 million TCPI grant in 2015 to assist 525 rural health systems to prepare for value-based payments.

What is a Practice Transformation Network (PTN)?

- The Practice Transformation Network (PTN) program is designed to help small and safety net providers transition from fee-for-service payment models to advanced payment models, and also to be able to succeed under the new guidelines for the Physician's Quality Reporting System (PQRS) and the Value-Based Modifiers (VBM).
- This program is funding by the **Transforming Clinical Practices Initiative (TCPI)**.
