WORKSHOP DESCRIPTIONS-DAY 1

1. **Financial Management 101**
   Presenters: Wayne Bulls, Auditor and Arnold Silver, Senior Accountant
   From the auditing perspective, grantees will learn about what makes an organization fiscally stable. In addition, the presenters will review the cost principles used to determine the allowability of costs charged to a federal grant award.

2. **Grants Architecture 101**
   Presenter: Bruce Holmes, Grants Management Specialist
   Audience: Grantees who would like an overview of the grants process from cradle to grave. Grantees will receive an overview of the pre-award and post-award process; understand the difference between the responsibilities of the HRSA Project Officer versus the HRSA Grants Management Specialist as well as understand how HRSA DGMO interacts with the grantee business/fiscal and program offices. The facilitator will explain the DGMO acronyms of the HRSA grant world. Grantees will receive a clear overview of both the OFAM’s infrastructure and the grant process.

3. **Administrative Management**
   Presenters: Vera M. Messina, Lead Grants Management Specialist
   Grantees will walk-through post-award actions that are involved in the day-to-day administration of a HRSA grant. Grantees will receive detailed guidance regarding Prior Approval Actions such as change of program director, change/transfer of grantee or carryover of unobligated balances or submissions in response to terms and conditions.

4. **All Things Fiscal/Budget**
   Presenters: Mickey Reynolds and Brian Feldman, Grants Management Specialist
   Audience: Grantees who want to manage their spending… and not let their spending manage them, plus those who have fiscal questions of any kind.
   This workshop will provide an introduction to the Federal cost principles for all types of grantees such as, but not limited, to Colleges and Universities; Non-profit and For-profit organizations and State and Local Government and Indian Tribes. Grantees will learn about the important factors that determine generally allowable costs.

5. **Peer Exchange**
   Presenter: Kendra Williams, Program Officer
   Audience: Grantees who would like to hear about real life examples from the field. Sufficient time will be set aside for question and answers. This workshop is designed to provide grant information from the grantee’s perspective.

6. **Non-Competing Continuation Streamline Process**
   Presenters: Shonda Gosnell and Frances Woodburn, Grants Management Specialist
   Audience: Project staff from all HRSA grants that typically submit applications for non-competing continuation funding (multi-year projects)
   This workshop will provide grantees with an overview of the new streamlined grant continuation process. Grantees will learn about the Non-Competing Continuation Progress Report, the elimination of the Non-Competing continuation guidance, and the submission process within HRSA's EHBs. The presenters will describe the difference between the Project Officer and Grants Management roles for this process.
7. Open Space/Resource Library
Facilitators: Sign-up during registration or at break
Discussion Topics: TBD
Concept-Grantees will have the opportunity to facilitate table topic discussions. Grantees will sign up for a topic of interest. Geared for “out-of-the-box” type thinkers in an informal setting.

8. Payment Management System-Demonstration
Presenter: Janet Morgan Fowler,
The Division of Payment Management has over 30 years of experience providing grant and grant like payments, cash management, and grant accounting services to Federal Agencies. DPM uses a custom-developed Payment Management System that provides grant recipients the tools to manage grant payment requests, financial inquiry options and disbursement reporting activities.

The PMS workshop will demonstrate the following:
- Operating the PMS
- How to make payment requests
- Manage Cash Flow
- Perform financial inquiries for authorization and payment information
- Report quarterly disbursement data
