TENS OF MILLIONS of Americans receive quality, affordable health care and other services through HRSA's 90-PLUS PROGRAMS and more than 3,000 GRANTEES.

COVID-19 RESPONSE*
HRSA has awarded more than $2.5 BILLION to grantees in its response to the COVID-19 epidemic, including:
- Expanding capacity to prevent, diagnose, and treat COVID-19
- Increasing access to telehealth
- Supporting telehealth services and training for health care providers

Provider Relief Fund (PRF) and Uninsured Program
Since April, HRSA has managed the distribution of $175 BILLION IN PROVIDER RELIEF to support American families, workers, and health care providers in the COVID-19 outbreak. A portion of these funds reimburses providers for COVID-19 treatment and vaccine administration for individuals without health care coverage — with an additional $2 BILLION FOR TESTING.

*Data as of December 21, 2020

PRIMARY HEALTHCARE
NEARLY 30 MILLION PEOPLE—1 in 11 NATIONWIDE—rely on a HRSA-supported health center for affordable, accessible primary health care, including:
