Dear Tribal Leader:

I am pleased to share that the Health Resources and Services Administration (HRSA) will soon launch the new [Pediatric Specialty Loan Repayment Program](#). The program will bolster the pediatric health care workforce by providing educational loan repayment to pediatric medical specialists, pediatric surgical specialists, and child and adolescent behavioral health care specialists.

Additional information, including [application](#) and discipline and [facility](#) eligibility details, is now available online.

I ask for your help in sharing this opportunity widely with the health care facilities in your communities.

If you have questions, please reach out to your [HRSA regional point of contact](#). Thank you very much for your consideration of this program.

Sincerely,
