

# **FEDERAL ETHICS**

**RULES FOR MEMBERS OF FEDERAL  
ADVISORY COMMITTEES**

**SPECIAL GOVERNMENT EMPLOYEES (SGE)**

**PRESENTED BY: LAURA RIDDER,  
HRSA ETHICS ADVISOR**

# Conflict of Interest

## **18 USC § 208**

**PROHIBITS AN SGE FROM  
PARTICIPATING IN PARTICULAR  
MATTERS THAT COULD AFFECT THEIR  
FINANCIAL INTERESTS OR FINANCIAL  
INTERESTS IMPUTED TO THEM BY LAW**

# Imputed Interest

- **Spouse**
- **Minor Child**
- **General Partner**
- **Organization in which an SGE serves as an officer, director, trustee, general partner, or employee**
- **Organization with which an SGE is negotiating or with which the SGE has an arrangement for prospective employment.**

# FAC SGE 208 Exemption

## **5 CFR § 2640.203(g)**

Allows SGEs serving on Federal advisory committees to participate in matters of general applicability where the disqualifying financial interest arises solely from the committee member's non-Federal employment or prospective employment, provided that the matter will not have a special or distinct effect on the employee or employer other than as part of a class.

\*This exemption is unavailable if the employee (or those persons whose interests are imputed to the employee) owns stock, stock options, or has some other financial interest in the employer other than the employment interest.

# Particular Matters

## Specific Party Matters

- Focused upon the interests of identified persons in a specific proceeding or an isolatable transaction or related set of transactions.
  - E.g. grants, contracts, drug applications, etc.

## Matters of General Applicability

- Focused on the interests of a discrete and identifiable class of persons/entities, but does not involve named parties.
  - E.g. recommendations or consideration of policies that affect an industry, group of manufacturers, or health care providers

# Other 208 Exemptions

- **interests held in broadly diversified investment funds (e.g. most diversified mutual funds; not sector mutual funds)**
- **publicly traded securities of \$15,000 or less (specific party matters; aggregate)**
- **publicly traded securities of \$25,000 or less if the matter is a general policy matter and the total value of all investments in the affected industry sector is no more than \$50,000**
- **employment in one campus of a multi-campus state university if the matter affects only another campus and the employee does not have multi-campus responsibilities**

# Waivers

## **18 U.S.C. § 208(b)(3)**

Authorizes issuance of a waiver to an SGE who serves on a FAC if the need for the individual's services outweighs the potential for a conflict of interest created by the particular financial interest involved.

HHS only grants "general" waivers, that allow participation in matters that affect all institutions, or types of institutions, similarly. Even with a general waiver, SGEs must disqualify themselves from participation in all matters that specifically and uniquely affect their financial interests (e.g. specific party matters).

# Standards of Ethical Conduct

## **5 C.F.R. PART 2635**

### **THE STANDARDS OF ETHICAL CONDUCT FOR EXECUTIVE BRANCH EMPLOYEES, INCLUDING SGE ADVISORY COMMITTEE MEMBERS**

# Impartiality

## **5 C.F.R §2635.502**

Absent authorization from HRSA ethics, SGEs should avoid participating in specific party matters when circumstances would cause a reasonable person with knowledge of the relevant facts to question their impartiality

# Misuse of Position

## **5 C.F.R. Part 2635, Subpart G**

- Referring to their Government positions for their own private gain, the private gain of friends, relatives, or anyone with whom they are affiliated in a non-Governmental capacity, or for the endorsement of any product, service, or enterprise.
- Using their Government position to coerce or induce another person to provide any benefit to themselves or another person.
- Using non-public Government information in a financial transaction to further their private interests or those of another, or disclosing confidential or non-public information without authorization.

# Gifts from Outside Sources

## **5 C.F.R. Part 2635, Subpart B**

Any gift given to a committee member because of the member's service on an HHS advisory committee or from a HRSA “prohibited source” would raise concerns.

Gifts given to an SGE because of the SGE's position or achievements in the private (non-Government) sector generally are not problematic when it is clear that such gifts have not been offered or enhanced because of the SGE's committee status.

# Gifts between Employees

## **5 C.F.R. Part 2635, Subpart C**

SGEs may not give a gift to an official superior (HHS or HRSA employees whose official responsibilities include directing or evaluating the performance of the Advisory Committee).

Some exceptions:

- Items with a market value of \$10 or less
- Food and refreshments to be shared
- Personal hospitality provided at a residence
- Customary items given in connection with the receipt of personal hospitality if of a type and value customarily given on such occasions
- Gifts customarily given for infrequent special occasions (weddings, child birth, retirement, illness, etc.)

# Outside Activities

**\* ALL NON-FEDERAL  
ACTIVITIES \***

# Teaching, Speaking, Writing

## **5 C.F.R. § 2635.807**

An SGE is prohibited from receiving compensation for teaching, speaking, and writing if:

- the activity is undertaken as an official Government duty
- the invitation was extended primarily because of the SGE's position
- the invitation was extended, directly or indirectly, by a person who has interests that may be affected substantially by the employee's official duties
- the information conveyed draws substantially on ideas or official data that are confidential or not publicly-available
- the subject matter concerns a specific party matter in which the SGE participated or is participating personally and substantially as a Government employee → however, SGE may accept compensation if they recuse from the official assignment (5 CFR § 5501.107(b))

# Teaching, Speaking, Writing

# Foreign Activities

- Extends to the spouse and dependents of the employee

## **18 U.S.C. § 219**

# Representational Activities

## **18 U.S.C. § 205**

Prohibits an SGE from representing a party, with or without compensation, before HHS or another Federal agency or other Federal entity (such as a court or commission) in any specific party matter in which the SGE participated in personally and substantially as a Government employee if the United States is a party or has a direct and substantial interest.
