Meeting Purpose: The Committee will receive a HRSA Bureau of Health Workforce update on 2023 activities and plans for 2024. The members will inform the public on the status of their 2023 Report to the Secretary and Congress and they'll hear from three Area Health Education Center grantees pertaining to the match requirement for that program. In the afternoon, the members will receive a brief update on the Title VII, Part D, programs and then discuss potential topics for their 2024 report. The day will conclude with an offer to the public to provide comments directly to the Committee.
