Meeting Purpose: The Committee will hold their first in-person meeting since before the pandemic. They will hear from experts on efforts surrounding Artificial Intelligence and its impact on future health care workforce development, the addition of addiction professionals as approved trainees for the Title VII, Part D, programs, and the impact of Administrative Cost guidelines on the Part D grant programs. On Day 2, the members will receive program updates on any Part D programs that have recently conducted a funding competition or are planning one in the near future. Finally, the members will work to develop recommendations for their upcoming 23rd Report to the Secretary and Congress.
