

# **RUSP Condition Nomination and Evidence Review Process**

## **Approach and Timeline**

**August 1, 2019**

**Cynthia M. Powell, M.D.  
Committee Chair**

# The Review Process: Four Focus Areas

---

1. Nomination
2. Systematic Evidence-based Review (current step)
3. Decision Matrix
4. Review of Current Conditions on the RUSP

# Timeline

---

- **April 2019:** Systematic evidence review
- **August 2019:** Systematic evidence review (continued)
- **November 2019:** Decision matrix and review of conditions on the RUSP
- **February 2020:** Initial nomination package

# Goals for Today

---

- **Focus on specific components of the evidence review process**
  - Cost assessment
  - Population-level modeling
  - Public health system assessment
  - Assessing values

**QUESTIONS?**
