Meeting Purpose: National Advisory Council on the National Health Service Corps (NACNHSC) members will hear from the Division of National Health Service Corps (DNHSC) and Division of Policy and Shortage Designation (DPSD). The Council will explore how NHSC can continue to support our scholars and sites to prepare to serve in the field, regarding the frequency of disasters due to rapid climate change and its impact on health outcomes and equity to bolster curriculums in medical professional schools and residencies. Three NACNHSC work groups will provide progress reports on their research and development of recommendations to the NHSC.
