Meeting Purpose: The Committee will receive a HRSA Bureau of Health Workforce update on FY2023-24 planned activities, as well as a presentation on the two planned 2024 funding opportunities for the Title VII programs under the Committee’s legislative purview. The members will inform the public on the status of both of their 2023 reports to the Secretary and Congress and then receive a brief update on the Title VII, Sections 747 and 748, programs before taking the afternoon to discuss potential topics for their 2024 report. The day will conclude with a review of business-related items pertaining to the members and an offer to the public to provide comments directly to the Committee members.
