Division of Grants Policy update

Legislative Mandates continued...

8) Ban on Funding Human Embryo Research (Section 508)
9) Limitation on Use of Funds for Promotion of Legalization of Controlled Substances (Section 509)
10) Restriction on Distribution of Sterile Needles (Section 520)
11) Restriction of Pornography on Computer Networks (Section 521)
12) Restriction on Funding ACORN (Section 522)
13) Confidentiality Agreements (Section 743)
The **Restriction on Abortion** mandates that “(a) None of the funds appropriated in this Act, and none of the funds in any trust fund to which funds are appropriated in this Act, shall be expended for any abortion.

(b) None of the funds appropriated in this Act, and none of the funds in any trust fund to which funds are appropriated in this Act, shall be expended for health benefits coverage that includes coverage of abortion.

(c) The term “health benefits coverage” means the package of services covered by a managed care provider or organization pursuant to a contract or other arrangement.”
Exceptions to Restriction on Abortions

“(a) The limitations established in the preceding section shall not apply to an abortion – (1) if the pregnancy is the result of an act of rape or incest; or (2) in the case where a woman suffers from a physical disorder, physical injury, or physical illness, including a life-endangering physical condition caused by or arising from the pregnancy itself, that would, as certified by a physician, place the woman in danger of death unless an abortion is performed.

(b) Nothing in the preceding section shall be construed as prohibiting the expenditure by a State, locality, entity, or private person of State, local, or private funds (other than a State’s or locality’s contribution of Medicaid matching funds).

(c) Nothing in the preceding section shall be construed as restricting the ability of any managed care provider from offering abortion coverage or the ability of a State or locality to contract separately with such a provider for such coverage with State funds (other than a State’s or locality’s contribution of Medicaid matching funds).
(d)(1) None of the funds made available in this Act may be made available to a Federal agency or program, or to a State or local government, if such agency, program, or government subjects any institutional or individual health care entity to discrimination on the basis that the health care entity does not provide, pay for, provide coverage of, or refer for abortions.

(d)(2) In this subsection, the term “health care entity” includes an individual physician or other health care professional, a hospital, a provider-sponsored organization, a health maintenance organization, a health insurance plan, or any other kind of health care facility, organization, or plan.

Please note that the needle exchange policy bulletin been updated to be consistent with be FY2018 Appropriations language.
SAM.gov Update

The updated language reads:

- **GSA's System for Award Management (SAM)** is supporting an active investigation by the GSA Office of Inspector General (OIG) into alleged, third-party fraudulent activity in SAM.

- **Proactive steps already being taken to address this issue and affected entities notified.** GSA will continue to work with OIG and law enforcement to take additional action as appropriate.

- **Proactive steps include requiring submission of an original, signed notarized letter identifying the authorized Entity Administrator for the entity associated with the Data Universal Numbering System (DUNS) number before the registration will be activated.** GSA posted instructions for domestic entities and instructions for international entities for easy reference....
