

Searching for Awards

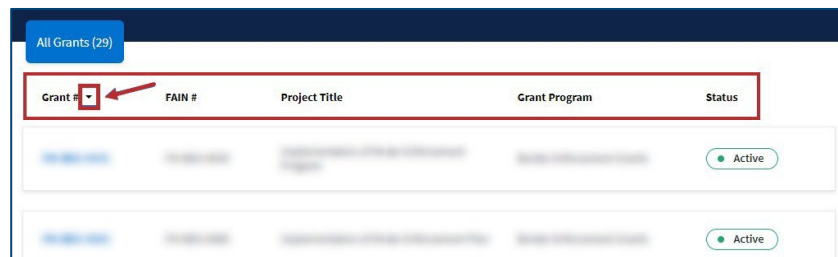

Click the **List View** icon to view Grant Projects in list format. Grant Projects appear as rows.

For recipients with multiple awards, the easiest way to locate them is in List View.

List View – Sorting by Column

If *List View* is active, click a **column name** to sort Grant Projects by that column in descending order. Click the **column name** again to sort Grant Projects by that column in ascending order. The column selected is indicated by an arrow to the right of the column name.

Click the **Grid View** icon to view Grant Projects in grid format. Grant Projects appear as cards. All fields in Grid View appear as columns in List View.
