UEI Transition

• EHBs updates to support new Unique Entity Identifier (UEI)

• UEI is replacing Data Universal Numbering System (DUNS)
  ▪ April 2022, the federal government will stop using the DUNS.
  ▪ For details, refer to GSA Web site: https://gsa.gov/entityid

• EHBs updates to change all DUNS fields to UEI fields
  ▪ First changes went live June 10, 2021
  ▪ Organization Registration pages and the Grantee My Portfolio pages
UEI Transition EHBs changes

• UEIs from SAM.gov imported automatically into the EHBs for all existing organizations with a valid DUNS and as organizations are registered in EHBs.
  ▪ If your organization has already been assigned a UEI from SAM.gov, you will start to see your UEI in the EHBs.

• During the transition, you can search for your organization in the EHBs, using either the UEI or the DUNS.
UEI Transition EHBs Timeline

• EHBs changes will be rolling out incrementally:
  ▪ June 10, 2021: Organization Registration pages, Grantee My Portfolio pages
  ▪ October 21, 2021: Applications and Grants.gov forms

Civil Rights & Accessibility for HRSA Recipients

Sarah Williams
Section Chief, Civil Rights Coordination & Compliance
Office of Civil Rights, Diversity, & Inclusion

Vision: Healthy Communities, Healthy People
## Civil Rights Coordination & Compliance (CRCC)

**Mission:**
CRCC promotes compliance with federal civil rights law through research, partnerships, and technical assistance to improve care for underserved populations.

**Goals:**
- To establish HRSA as a federal leader and innovator in the provision and promotion of accessible services.
- To ensure HRSA conducted programs and services are accessible to individuals who experience barriers to participation.
- To support HRSA recipients in achieving compliance with relevant civil rights laws to reduce barriers to obtaining health services.
Enforcement v. Proactive Compliance

HHS Office for Civil Rights (OCR)
- Enforcement Agency
- Investigation and Resolution

HRSA
- Funding Agency
- Proactive Compliance
Federal civil rights laws have two levels of application. They mandate that federal agencies (HRSA) and their funding recipients (grantees):

**Do not discriminate** against individuals due to race, disability, national origin, sex, and other protected bases.

Ensure that their **programs and activities are accessible** to people with disabilities, non-English speakers, and other populations.
Civil Rights Protections & Requirements

- Language Access (Title VI)
- Accessibility & Disability Discrimination (Section 504)
- Sexual Harassment & Discrimination (Title IX)
- Conscience Protections (Church Amendments)
- Age Discrimination (Age Discrimination Act)
Fiscal Policies and Procedures

OMB Memo 21-20

• Issued on March 19, 2021

• Includes a six-month extension to the Single Audit report due date for recipients and subrecipients that have not yet filed their Single Audits that have FY ends from December 31, 2019 through June 30, 2021.

• Provides Federal awarding agencies with the authority to grant flexibilities to recipients affected by the pandemic. These flexibilities are not limited only to recipients that received COVID-19 Federal funding, rather any Federal funding.

• Supersedes all previous OMB Single Audit extensions.

**Example:** A recipient with a FY end of June 30, 2021 received Federal funding during their audit period. Their FY 2021 Single Audit is normally due March 31, 2022. Therefore, they would receive a 6-month extension to September 30, 2022.
Policies and Procedures

• Recipient organizations must have documented policies and procedures to ensure effective control and accountability of federal funds.

• Responsibilities for financial management are outlined in 45 Code of Federal Regulations (CFR) §75.302.
Policies and Procedures – Cash Management

Recipients must maintain written Policies and Procedures to minimize the time elapsing between the transfer of funds from the Payment Management System (PMS) and the disbursement of those funds by the recipient. The written P&Ps must reference the process for drawdowns from PMS under HHS awards, and:

- Be limited to the minimum amounts needed to cover allowable project costs;
- Be timed in accordance with the actual immediate cash requirements of carrying out the approved project; and
- Not be made to cover future expenditures

See 45 CFR §75.302(b)(6) and §75.305, and HHS Grants Policy Statement
Policy and Procedure Example

• **Date**: 5/5/20XX  
  **Reviewed**: 5/5/20XX

• **Policy**: It is the policy of ABCXYZ, Inc. to expend federal funds drawn from the Payment Management System within X days after receipt. Draws are made based on actual expenses incurred from managing the grants program.

• **Procedure**: List the step by step process for arriving at the amount of funds to be drawn from the PMS and the steps to execute a drawdown
Key Fiscal Reminder

- Organizations must have policies and procedures in place that address unexpected or emergency circumstances (i.e. - hazard/premium pay, furlough pay, leave policy, reassignment, lost productivity, etc.)

Documentation is Key!
