Notice Regarding Offer of Refunds to 340B Covered Entities

American Health Packaging (AHP) has recently recalculated 340B ceiling prices for the period Q3 2023 through Q1 2025. As a result of the recalculated 340B Ceiling Prices, AHP has determined that, pursuant to 42 U.S.C. § 256b(d)(1)(B)(ii) and 42 C.F.R. § 10.11(b)(4), a refund is owed to 340B Covered Entities that purchased these products during these time periods. Prices are the result of revised pricing data that were submitted to the Centers for Medicare & Medicaid Services.

Accordingly, AHP will issue refunds via Apexus, LLC (“Apexus”), the 340B Prime Vendor, to 340B Covered Entities that purchased these products during the quarters identified above and are owed a refund of \$10 dollars or more in the aggregate for the impacted quarters. Apexus will work with AHP to validate wholesaler pharmacy account information for each covered entity. Once validated, Apexus will work with the wholesalers to facilitate the processing of credit for the differences between the amounts that covered entity was charged and the 340B ceiling price during the specified periods. If an active wholesaler account cannot be identified within two weeks after initial communication, then Apexus will work to issue an ACH or check to those entities.

Entities entitled to an aggregated refund across applicable NDCs of \$10.00 or less will not be contacted directly by, or on behalf of, AHP. Instead, AHP is offering a refund to these 340B Covered Entities through this Notice. Covered entities that believe they are owed a refund of less than \$10 dollars in aggregate may request a refund by contacting AHP at ahp340b@americanhealthpackaging.com for assistance. Please include “340B Reimbursement” and your entities 340B ID in the subject line.

To enable the processing of such refund requests, Covered Entities must provide the following information:

- Covered Entity ID
- NDC Number
- Quantity
- Original Purchase Invoice Number
- Invoice Date
- Wholesaler that product was purchased

AHP is not seeking reimbursement or repayment where Covered Entities paid a lower price than the recalculated 340B ceiling prices for the indicated time periods, any such amounts will not be used as offsets in determining the aggregate amount of any refund due.

AHP has asked the Office of Pharmacy Affairs (OPA) within HRSA to post this Notice on OPA's public website to ensure transparency by providing access to information on AHP's recalculation affecting certain 340 Covered Entities for impacted product(s).
