

HRSA Notification Regarding Adjustment of 340B Prices for Select Products of Aurobindo Pharma USA, Inc.

Aurobindo Pharma USA, Inc., a wholly owned subsidiary of Aurobindo Pharma Ltd. (collectively “Aurobindo” with associated labeler Codes: 13107, 59651 and 65862) has recalculated its 340B ceiling prices for certain products for the period of Q1 2022 through Q4 2023. The products impacted are listed in the accompanying table.

Aurobindo has determined the credit amount owed to each affected covered entity and has requested the Office of Pharmacy Affairs (OPA) within HRSA to post this notice publicly to ensure transparency and provide access to information regarding 340B price revisions affecting certain 340B Covered Entities.

Covered Entities entitled to an aggregated refund across applicable NDCs for amounts greater than \$50.00 will be contacted directly by Apexus, LLC (“Apexus”), the 340B Prime Vendor, to validate wholesaler pharmacy account information for each covered entity. Once validated, Apexus will work with the wholesalers to facilitate the processing of aggregated refund across applicable NDCs during the specified periods. If an active wholesaler account cannot be identified within two weeks of the initial communication, Apexus will issue an ACH payment or check to those entities.

Covered Entities entitled to an aggregated refund across applicable NDCs for less than \$50.00 will not be contacted directly by Apexus. Instead, Aurobindo is offering a refund through this notice. Covered Entities should contact Aurobindo at the following email address: 340B@AurobindoUSA.com to request and accept the refund offer. Aurobindo will then coordinate with the covered entity to process any applicable refund.

If a Covered Entity believes they are due a refund and has not been contacted by Apexus by 12/31/2025, it may contact Aurobindo Pharma USA, Inc. at 340B@AurobindoUSA.com
