Notice Regarding Adjustment of 340B Prices for Select Products of Biocon Biologics Inc.

Biocon Biologics Inc., (“Biocon”) has recalculated its 340B ceiling prices of the products and corresponding national drug codes (“NDCs”) referenced below for the sales period commencing April 1, 2024 through June 30, 2025 (the “Restatement Period”), due to revisions made to Biocon’s Medicaid pricing data.

As a result of the recalculated 340B Ceiling Prices, Biocon has determined the credit amount owed to each affected Covered Entity. Biocon has asked the Office of Pharmacy Affairs (“OPA”) within HRSA to post this Notice on the public website to ensure transparency by providing access to information about the recalculation affecting certain 340B Covered Entities for the impacted product(s).

Biocon will work through Apexus, the HRSA 340B Prime Vendor, to issue refunds to each affected Covered Entity. Refunds will be issued either to a Covered Entity’s validated wholesaler pharmacy account when one can be identified, or an ACH or check will be issued to Covered Entities whose wholesaler account cannot be identified.

The table below identifies the NDCs, products, and sales periods that are subject to a refund.
