Notice of 340B Ceiling Price Recalculation for Breckenridge Pharmaceutical, Inc.

As a result of a compliance review, Breckenridge Pharmaceutical, Inc. (“Breckenridge”) has recently restated AMPs for the NDCs listed on Schedule 1 for the period Q2-2021 through Q1-2024, which results in a decrease from the original 340B ceiling prices.

Breckenridge analyzed wholesaler chargeback data to identify 340B covered entities that may be eligible for reimbursement. Breckenridge will send notices to those 340B covered entities entitled to reimbursements of \$25 or more and payments will be made by check to 340B covered entities who request a refund by January 31, 2026. 340B covered entities that may be entitled to a refund of less than \$25 will not be contacted directly by Breckenridge; instead, Breckenridge is offering a refund to these 340B covered entities through this notice. If you believe you are entitled to a refund but do not receive a notice, please contact us at 340B@bpirx.com by January 31, 2026 to request a refund. Breckenridge will then work with you to verify and process any refund that may be.

Breckenridge is not seeking reimbursement or repayment where 340B covered entities paid a lower price than the recalculated 340B ceiling prices.

Breckenridge has asked the Office of Pharmacy Affairs (OPA) to post this notice on their website <https://www.hrsa.gov/opa/manufacturing-notices> to ensure transparency to all 340B covered entities. If you have any questions, please contact us at 340B@bpirx.com.
