NOTICE TO 340B COVERED ENTITIES REGARDING UTILIZATION OF HyperRHO® S/D Full Dose Syringe.

Currently, HyperRHO® S/D Full Dose Syringe is available in the United States in both a single pack and a 10-pack.

The table below reflects the NDCs for HyperRHO® S/D Full Dose Syringe (single and 10-pack). HyperRHO® S/D Full Dose Syringe NDCs (single and 10-pack) are the same product (drug, dose, formulation, and volume) with the same price per individual Syringe, and Grifols believes that a covered entity utilizing a 340B inventory replenishment model may use and count accumulations of these NDCs (whether single or 10-pack presentation) toward replenishment of equivalent quantities of the corresponding HyperRHO® S/D Full Dose Syringe NDCs (see below table).
