

Notice Regarding Adjustment of 340B Prices for Select Products of

Hikma Pharmaceuticals USA Inc. & Hikma Specialty USA Inc.

Hikma Pharmaceuticals USA Inc. & Hikma Specialty USA Inc. (together, "Hikma") has recalculated its 340B ceiling prices for certain products for the period from Q1 2016 through Q2 2025 (the "Recalculation Period"). These recalculations were the result of a voluntary recalculation of prices under the Medicaid Drug Rebate Program. The products impacted are listed below.

Hikma has determined the refund amount owed to each affected covered entity. The refund amount is the difference between the amount that a covered entity was charged and the recalculated 340B ceiling price for a product during the Recalculation Period. Hikma is not seeking price adjustments where covered entities paid less than the recalculated 340B ceiling price; such underpayments will not be used to offset the refund amount owed to a covered entity.

Hikma will be processing refunds to covered entities in two ways:

1. For covered entities that are entitled to an aggregated refund across applicable NDCs during the Recalculation Period of \$100.00 or more, Hikma will be working with Apexus, LLC ("Apexus"), the 340B Prime Vendor, to process refunds. Apexus will contact these covered entities to validate wholesaler account information. Apexus will then work with the identified wholesaler to facilitate the processing of credit for the refund amount. If an active wholesaler account cannot be identified within two weeks after the initial communication from Apexus, then Apexus will work to issue an ACH or check to the covered entity.
2. Covered entities that are entitled to an aggregated refund across applicable NDCs of less than \$100.00 for the Recalculation Period will not be contacted by Hikma or Apexus. Instead, we are offering a refund to these covered entities through this notice. If a covered entity has not been contacted by Apexus by August 31, 2026 and believes it is entitled to a refund on one or more of the applicable NDCs purchased during the Recalculation Period, the covered entity should contact Hikma at hikmagovtcontracts@hikma.com to request the refund. Hikma will then work with the covered entity to process any refund that is due to the covered entity.

This Notice was posted by HRSA at the request of Hikma. If you have any questions about this notice, please contact hikmagovtcontracts@hikma.com.
