

Notice Regarding Recalculated 340B Ceiling Prices for Certain Products of SpecGx LLC covering period Q3 2020 – Q1 2023

SpecGx LLC (“SpecGx”), labeler codes 00406 and 23635, a Mallinckrodt Pharmaceuticals company (“Mallinckrodt”) has recalculated its 340B ceiling prices for the products listed below for the period Q3 2020 through Q1 2023 (the “Restatement Period”). The recalculation of ceiling prices is due to revisions to the Medicaid pricing data for the period Q1 2020 through Q3 2022.

SpecGx has asked the Office of Pharmacy Affairs (“OPA”) to post this Notice on OPA’s public website to ensure transparency by providing access to information about SpecGx’s recalculation affecting certain 340B Covered Entities for the impacted products. As a result of the recalculated 340B Ceiling Prices, SpecGx has determined that refunds are owed to 340B Covered Entities that purchased these products during the Restatement Period.

- For Covered Entities that SpecGx has determined are owed a refund of \$50.00 or more (in the aggregate, as determined across all applicable purchases and National Drug Codes (“NDCs”) in the Restatement Period), SpecGx will be working with a third party to issue refunds: (1) as a credit to a Covered Entity’s validated wholesaler account if one can be identified, or (2) as a check or Automated Clearing House payment issued directly to Covered Entities whose wholesaler account cannot be identified.
- If any entity believes it is owed a refund in the aggregate of less than \$50.00 for 340B purchases of the impacted products set forth below for the Restatement Period and would like to request a refund, the entity should send an email to 340BRefunds@mnk.com. All refund submissions are requested by January 31, 2024, specifying the 340B ID, entity name and address, applicable NDC(s), purchase volume(s), purchase price(s) and time period(s). Upon validation of a refund submission, SpecGx will refund any overcharges.
- SpecGx is not seeking reimbursement or repayment where Covered Entities paid a lower price than the recalculated 340B ceiling prices for the Restatement Period and is not using any such amounts as offsets in determining the aggregate amount of any refund due.

Please direct any questions and/or requests for additional information to SpecGx at the following email address: 340BRefunds@mnk.com.
