

## Notice Regarding Adjustment of 340B Prices for Select Products of Kedrion Biopharma Inc.

Kedrion Biopharma Inc. has recalculated its 340B ceiling prices for the restatement period from 2018q3 through 2020q1 for the products listed below due to revisions made to their Medicaid pricing data. Kedrion Biopharma Inc. has asked the Office of Pharmacy Affairs (OPA) within HRSA to post this Notice on the public website to ensure transparency by providing access to information about Kedrion Biopharma Inc. recalculation affecting certain 340B Covered Entities for the impacted product(s).

Kedrion Biopharma Inc. has determined the credit amount owed to each affected covered entity. In the event that Kedrion data demonstrates that a Covered Entity overpaid by \$10 or more in the aggregate for the impacted products during the restatement period, Kedrion will work through Apexus, LLC (“Apexus”) , the HRSA 340B Prime Vendor, to issue refunds to those Covered Entities.

Refunds will be issued either to a Covered Entity’s validated wholesaler pharmacy account when one can be identified, or a check will be issued to Covered Entities whose wholesaler account cannot be identified. If a Covered Entity believes that it has overpaid by less than \$10 in the aggregate for the impacted products during the restatement period, and the Covered Entity would like to request a refund, such Covered Entity should contact Kedrion directly via email at [340BProgram@kedrion.com](mailto:340BProgram@kedrion.com) and [j.baker@kedrion.com](mailto:j.baker@kedrion.com).

If a Covered Entity is not contacted by **February 28, 2021**, then it has been determined that the organization’s overpayments are below the \$10 impact level. The Covered Entity may contact Kedrion as directed to obtain a refund, and Kedrion will accept requests received on or before **April 31, 2021**.
