Noven participates in the 340B program and has asked the Office of Pharmacy Affairs (“OPA”) to post this notice on OPA’s public website to ensure transparency to all 340B Covered Entities regarding the Ceiling Price recalculations and to offer a refund to any of the 340B Covered Entities that purchased the products identified. Based on the recalculation for the product(s) noted above, Noven will refund covered entities through a separate correspondence including a credit memo or check for the refund periods listed.

If a Covered Entity believes they are due a refund and has not been contacted by Noven, they should contact Noven at [vgonzalez1@noven.com](mailto:vgonzalez1@noven.com). Include in the subject line that this is a “340B Reimbursement” and include your entity’s 340B ID to make that request.

In addition, please include Invoice Date, Wholesaler Purchased from, Quantity Purchased, Invoiced Amount, and Purchase Invoice Number in the body of your email so that we can research your inquiry and reimburse, as necessary. Refunds will be issued as a credit to a Covered Entity’s wholesaler pharmacy account when one can be identified, or a check will be issued to the Covered Entity when a credit cannot be processed.
