

## Limited Distribution Notice for NUPLAZID® (pimavanserin) Tablets and Capsules

August 2019

This notice provides information to 340B covered entities regarding how to acquire NUPLAZID® (pimavanserin) tablets and capsules (NDCs 63090-0100-30 and 63090-0340-30) at the 340B ceiling price.

NUPLAZID® (pimavanserin) is a prescription drug indicated for the treatment of hallucinations and delusions associated with Parkinson's disease psychosis ("PDP"). NUPLAZID® is available in two formulations: (10mg) tablet and (34mg) capsule. Due to the special circumstances under which patients are prescribed NUPLAZID®, ACADIA has developed an appropriate limited distribution procedure that is equally applicable to 340B covered entities and all other commercial dispensaries. ACADIA makes NUPLAZID® available to patients in two ways:

First, prescriptions for NUPLAZID® may be filled through ACADIA's Specialty Pharmacy Network: CVS Specialty Pharmacy (1-800-237-2767), AllianceRX Walgreens Prime (1-888-782-8443), Accredo Specialty Pharmacy (1-877-222-7336), Humana Specialty Pharmacy (1-800-486-2668), Advanced Care Scripts (1-877-985-6337) and Diplomat (1-877-977-9118). These Specialty Pharmacies may only dispense NUPLAZID® directly to patients. Prescriptions for NUPLAZID® should be submitted to one of these Specialty Pharmacies to be filled. Covered entities in contract pharmacy relationships with one of these Specialty Pharmacies will be permitted to follow replenishment procedures in their agreements.

Second, if a facility is a 340B covered entity that maintains an on-site neurologist or psychiatrist and dispenses from that location, NUPLAZID® may be acquired through ACADIA's Specialty Distributor Network: ASD Healthcare (AmerisourceBergen, 1-800-746-6273), Cardinal Health (1-844-794-7276), McKesson Plasma and Biologics (1-877-625-2566), and Morris & Dickson (1-800-710-6100). In order for a covered entity to qualify as eligible to take possession of NUPLAZID®, the covered entity must apply through one of the Specialty Distributors to establish eligibility.

Additional information can be found at [www.nuplazid.com/nuplazid-connect](http://www.nuplazid.com/nuplazid-connect) or you can also call ACADIA Pharmaceuticals Inc. at **1-844-4ACADIA (1-844-422-2342)**.
