## Notice Regarding Recalculated 340B Prices for Sebela Products

Sebela Pharmaceuticals Inc. has identified the below products were offered at incorrect 340B Prices. Sebela has asked the Office of Pharmacy Affairs (OPA) to post this Notice on the OPA's public website to ensure transparency by providing access to information about Sebela's recalculation and potential overpayment by certain 340B Covered Entities for these impacted Sebela products.

340B Covered Entities that purchased these NDCs during this timeframe, and were charged more than the 340B correct price, will receive a refund equal to the difference between the 340B correct price and the price that the Covered Entity purchased the product during this timeframe.

Sebela Pharmaceuticals Inc. will reach out to each affected Covered Entity identified as entitled to a refund. Additionally, any entity who believes they are entitled to this refund may also send an email to [G-SPS-Chargeback@Cordlogistics.com](mailto:G-SPS-Chargeback@Cordlogistics.com) with "Entity Name for 340B price refund" in the subject line so that we can process a refund accordingly.
