Dear Manufacturers,

I am writing on behalf of Western Wyoming Family Health (FP82930) to inform manufacturers that WWFH recently underwent an audit by the Health Resources and Services Administration (HRSA) of WWFH's compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, WWFH qualified for the 340B Program as a Title X Family Planning clinic, with locations in Rock Springs, Evanston, Pinedale and Rawlins Wyoming, and has participated in the 340B Program since April 1, 2006.

Through the audit process, WWFH was found to have non-compliance within their 340B Program and responsible for repayment as a result of the following finding(s):

- **WWFP listed incorrect or incomplete billing information on the 340-B Medicaid Exclusion File. This may have resulted in duplicate discounts as prohibited by section 340B (a) (5) (A) of the PHSA.**

WWFH has identified all affected manufacturers and has contacted each to notify them of these violations to begin a dialogue on a method for repayment to affected manufacturers. If manufacturers have not received notification from WWFH and believe repayment may be owed for the violations described in this letter, or if you have any questions or comments regarding the violations described in this letter, I can be contacted by phone at 307-362-6813, by email at [stearnsa@sweet.wy.us](mailto:stearnsa@sweet.wy.us), or by mail at 333 Broadway Suite#120, Rock Springs, WY 82901.

Sincerely,  
Amanda Stearns
