

**Notice Regarding Adjustment of 340B Prices for Products of Purdue Pharma L.P.'s and its subsidiaries Avrio Health L.P. and Adlon Therapeutics L.P.**

Purdue Pharma L.P. and its subsidiaries Avrio Health L.P. and Adlon Therapeutics L.P. have recalculated its 340B ceiling prices for the time periods Q1 2020 and Q2 2020. Products whose ceiling price were impacted by revisions to their Medicaid pricing data and where purchases existed are listed below. Also listed are the relevant 340B ceiling price quarters for which the ceiling price of that product was impacted. Purdue has asked the Office of Pharmacy Affairs (OPA) within HRSA to post this Notice on the HRSA public website to ensure transparency by providing access to information about Purdue’s recalculation affecting certain 340B Covered Entities for the impacted Purdue product.

Purdue has determined the credit amount owed to each affected covered entity. Purdue will be working with Apexus, LLC (“Apexus”), the 340B Prime Vendor, to validate wholesaler pharmacy account information for each affected Covered Entity. If a wholesaler account is identified, Purdue will issue a credit to the Covered Entity through the wholesaler, and a check will be issued to Covered Entities whose wholesaler account cannot be identified. If a Covered Entity believes they are due a refund and are not contacted by Apexus within a month after the posting of this notice, you may contact Alicia Graziano, Purdue Pharma L.P. Director of Government and Institutional Contract Ops, at [Alicia.Graziano@pharma.com](mailto:Alicia.Graziano@pharma.com).
