Notice Regarding Replacement NDC for Tofidence™

Organon LLC (“Organon”) has requested that the Health Resources and Services Administration (“HRSA”) post this notice on its website to notify 340B Covered Entities that the national drug code (“NDC”) numbers for TOFIDENCE are being transitioned to new NDCs beginning in November 2025.

Old NDC	New NDC	Product	Package
64406-0022-01	78206-0201-01	Tofidence™ (tocilizumab-bavi) injection, for intravenous use	Package of one 10 mL single-dose vial
64406-0023-01	78206-0202-01	Tofidence™ (tocilizumab-bavi) injection, for intravenous use	Package of one 20 mL single-dose vial
64406-0024-01	78206-0200-01	Tofidence™ (tocilizumab-bavi) injection, for intravenous use	Package of one 4 mL single-dose vial

340B Inventory Replenishment

Despite the NDC updates, the new NDCs are the same product (drug, dose, formulation, and volume) with the same 340B price as the old NDCs. Therefore, Organon believes that Covered Entities utilizing a 340B inventory replenishment model may count accumulations of the old NDCs toward replenishment of equal quantities of the corresponding new NDCs.

Organon has instructed its authorized distributors to deplete their remaining inventory of the old NDCs prior to distribution of the new NDCs. Organon’s authorized distributors will communicate further information regarding the availability of the new NDCs.

Any questions regarding this matter can be directed to Organon LLC, US Pharmaceutical Pricing, 4000 Chemical Road, Plymouth Meeting, PA 19462, or send an email to OGN_US_Pricing@organon.com.
