Notice Regarding Refunds to 340B Covered Entities

August 17, 2023

Tolmar, Inc. (“Tolmar”) has recalculated lower 340B ceiling prices for the National Drug Codes (“NDCs”) listed below for quarters 4Q2017 through 4Q2022 (“Restatement Period”). As a result of the recalculated 340B ceiling prices, Tolmar has determined that refunds are owed to 340B Covered Entities that purchased these products during the Restatement Period.

Covered entities that Tolmar has determined are owed a refund of \$10.00 or more (in the aggregate, as determined across all applicable purchases and NDCs in the Restatement Period) will receive a credit effectuated through a third-party vendor. Refunds will be issued either to a Covered Entity’s validated wholesaler pharmacy account when one can be identified, or a check will be issued to a Covered Entity whose wholesaler account cannot be identified.

Tolmar has asked the Office of Pharmacy Affairs (OPA) to post this Notice on OPA’s public website to give affected Covered Entities that may be owed less than \$10.00 the opportunity to request refunds. If any entity believes it is owed a refund in the aggregate of less than \$10.00 for 340B purchases of the impacted products set forth below for the Restatement Period and would like to request a refund, the entity should send an email to Chargeback@tolmar.com. All refund submissions are requested by November 18, 2023, specifying the 340B ID, entity name and address, applicable NDC(s), purchase volume(s), purchase price(s) and time period(s). Upon validation of a refund submission, Tolmar will refund any overcharges.

Tolmar is not seeking reimbursement or repayment where Covered Entities paid a lower price than the recalculated 340B ceiling prices for the Restatement Period and is not using any such amounts as offsets in determining the aggregate amount of any refund due.
