

# 340B Office of Pharmacy Affairs Information System Enhancements-Registration Components

The Health Resources and Services Administration (HRSA), Health Systems Bureau (HSB), Office of Pharmacy Affairs (OPA) is providing an update on new features to the registration component of the 340B Office of Pharmacy Affairs Information System (340B OPAIS).

Updates to the new 340B OPAIS registration process will be implemented late July/early August 2018 with new functionality directly affecting covered entities and manufacturers. The primary features of these updates to the registration portion of 340B OPAIS include:

### Covered Entities:

Document Upload	Covered Entities will have the ability to upload .pdf and .xls to meet registration, recertification, or change request requirements.
Contract Pharmacy Representative Changes	Covered Entities will have the ability to use their profile to search and alter the contract pharmacy representative's information associated with their 340B ID.
Grant Field Registration Requirements	Covered entities (excluding Indian Health Service Grantees) will be required to submit a grant number in requested format for registrations.

### Manufacturers:

Complete online Labeler Code Registrations	Manufacturers will be able to submit an online labeler code registration and have that registration completed by OPA online. This includes both the PPA and PPA Addendum.
Print a PPA/PPA Addendum	Manufacturers who complete the registration process in the newest 340B OPAIS release will have the ability to print a housed copy of their PPA/PPA Addendum.

Please begin to prepare for these changes and refer to our website for additional announcements and educational resources at <https://www.hrsa.gov/opa/340b-opais/index.html> to assist you in
