1 BACKGROUND INFORMATION, PURPOSE, AND GETTING STARTED

1.1 BACKGROUND INFORMATION

The Coronavirus Aid, Relief, and Economic Security (CARES) Act (P.L. 116-136), the Paycheck Protection Program (PPP) and Health Care Enhancement Act (P.L. 116-139), and the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act (Division M of P.L. 116-260), and American Rescue Plan Act of 2021 (P.L. 117-2) appropriated funds to reimburse eligible healthcare providers for healthcare-related expenses or lost revenues attributable to COVID-19. These funds were, or will be, distributed by the Health Resources and Services Administration (HRSA) through the Provider Relief Fund (PRF) program. Recipients of these funds agreed to the [Terms & Conditions](#), which require compliance with reporting requirements as specified by the Secretary of Health and Human Services (HHS) in program instructions.

1.2 PURPOSE

HRSA developed the [PRF Reporting Portal](#) to enable PRF and American Rescue Plan (ARP) Rural¹ (referred to as “reporting entities” throughout this document) to comply with mandatory reporting requirements. Reporting entities must complete a two-step process in the PRF Reporting Portal (also referred to as “the portal” throughout this document) to submit their reports to HRSA. To complete the two-step process, reporting entities must 1) register as users and 2) complete reporting on the use of funds. The purpose of the ***PRF Reporting Portal User Guide – Registration*** is to assist reporting entities in the completion of the first step of the process. Reporting entities will be notified when they should complete the second step of the process and report on the use of funds.

1.3 POST-PAYMENT REPORTING REQUIREMENTS

Reporting entities should review the most recently published [Post-Payment Notice of Reporting Requirements](#) available on the [PRF Reporting Requirements & Auditing website](#) for information about reporting requirements. Recipients who received one or more General and Targeted Distributions, which includes the Nursing Home Infection Control (NHIC) Distribution² (formally known as the Skilled Nursing Facility and Nursing Home Infection Control Distribution), and/or ARP Rural Distribution payments exceeding \$10,000 in the aggregate during a Payment Received Period are required to report in each applicable Reporting Time Period as shown in [Table 1 Reporting Periods](#). **Reporting must be completed and submitted to HRSA by 11:59 PM Eastern Time on the last date of the Reporting Time Period.** Only electronic submissions through the PRF Reporting Portal are permitted.

¹ Previous documentation did not include information regarding the ARP Rural Distribution payment(s). ARP Rural payments are funded separately from the PRF General and Target Distribution payments.

² The NHIC Distribution is a Targeted Distribution payment. The Distribution includes payments made in August 2020 and Nursing Home Quality Incentive Payment Program (QIP) payments.

Reporting entities that do not report within the respective Reporting Time Period are out of compliance with payment [Terms & Conditions](#) and may be subject to repayment and/or debt collection.

If a reporting entity received payments meeting the established monetary threshold during multiple Payment Received Periods, the recipient is required to report during each of the corresponding Reporting Time Periods as shown below.

Table 1 Reporting Periods

Period	Payment Received Period	Period of Availability for Eligible Expenses	Period of Availability for Lost Revenues	Reporting Time Period
1	April 10, 2020, to June 30, 2020	January 1, 2020, to June 30, 2021	January 1, 2020, to June 30, 2021	July 1, 2021, to September 30, 2021

**Grace period ended November 30, 2021*

1.4 RESPONSIBILITY FOR REPORTING

Reporting entities will complete and submit required reports for PRF and ARP Rural payments in the PRF Reporting Portal. The reporting entity may differ by type of payment, but generally HRSA defines this as the entity that registers its Tax Identification Number (TIN) and reports on payments received by that TIN and/or its subsidiary TINs.

A TIN is either an Employer Identification Number (EIN) or Social Security Number (SSN) and must be entered in nine-digit format with no special characters.

- A parent entity may report on its subsidiaries' General Distribution payments, regardless of whether the subsidiary TINs received the General Distribution payments directly from HRSA or whether General Distribution payments were transferred to them by the parent entity.
- The parent entity may report on these General Distribution payments regardless of whether the parent or the subsidiary attested to the Terms and Conditions.

- The original recipient of a Targeted Distribution payment is always the reporting entity in accordance with the CRRSA Act.
- A parent entity may not report on its subsidiaries' Targeted Distribution. The TIN that qualified for Targeted Distribution payments must report on the use of funds in accordance with the CRRSA Act. This is required regardless of whether the qualifying recipient or its parent subsequently transferred the payment. A reporting entity that is a subsidiary must indicate the payment amount of any of the Targeted Distributions it received that were transferred to/by the parent entity, if applicable.
- For ARP Rural payment recipients, regardless of whether or not a parent was obligated to distribute payments to its subsidiaries who qualified for ARP Rural payments, HRSA requires parent entities to report on ARP Rural payments they received from the agency.

1.5 BEFORE STARTING

Reporting entities must complete registration before beginning to report on the use of funds. A reporting TIN submitting reports in multiple reporting periods will only need to register once. Users will need approximately 20 minutes to complete the registration process. **The registration process must be completed in one session as it is not possible to save partially entered information.** Upon successful registration and at the end of the reporting process, portal users will receive an email notification from PRFReporting-NoReply@hrsa.gov. Portal users should add this email address to their safe sender list before beginning. For instructions on adding 'PRFReporting-NoReply@hrsa.gov' as a safe email sender, users should follow the instructions of the email provider associated with the email account. As an example, [instructions for Outlook users may be found here](#). Please note that the 'PRFReporting-NoReply@hrsa.gov' account is not monitored and should not be used to communicate with HRSA staff.

Reporting entities should ensure they have all the information required to register available before they begin. Information required to register:

1. Tax Identification Number (TIN) or other number submitted during the application process [e.g., Social Security Number (SSN), Employer Identification Number (EIN)]. The TIN may be the TIN of a parent entity if a parent is reporting on behalf of subsidiaries.
2. Business name (as it appears on the Internal Revenue Service (IRS) Form W-9 of the reporting entity).
3. Contact information (First Name, Last Name, Phone number, Title³, Mobile Number⁴, Email⁵, Username) of the person responsible for submitting the report. A username and password will be associated when initiating two-factor authentication preferences.
4. Address as it appears on the IRS Form W-9 (Street 1, Street 2, City, State, five-digit ZIP code) of the reporting entity.

³ Not a required data field.

⁴ Mobile Number can be used if SMS is selected for two-factor authentication preference.

⁵ Email Address can be used if Email is selected for two-factor authentication preference.

5. TIN(s) of subsidiaries (if a reporting entity is reporting on behalf of subsidiary(ies), a list delimited by commas, *e.g.*, 123456789,987654321,135791357).
6. Provider Relief Fund payment information (for any one of the payments received).
 - TIN of entity that received the payment. **The TIN must be a TIN that received a PRF and/or ARP Rural payment as it will be validated during the registration process.**
 - Mode of payment (check or direct deposit Automated Clearing House [ACH]) if Check is selected, Check Number is displayed. If Direct Deposit (ACH) is selected Settlement Date (ACH) is displayed.
 - Payment amount.

1.6 GETTING STARTED

The PRF Reporting Portal is only compatible with the most current version of Microsoft Edge, Google Chrome, and Mozilla Firefox.

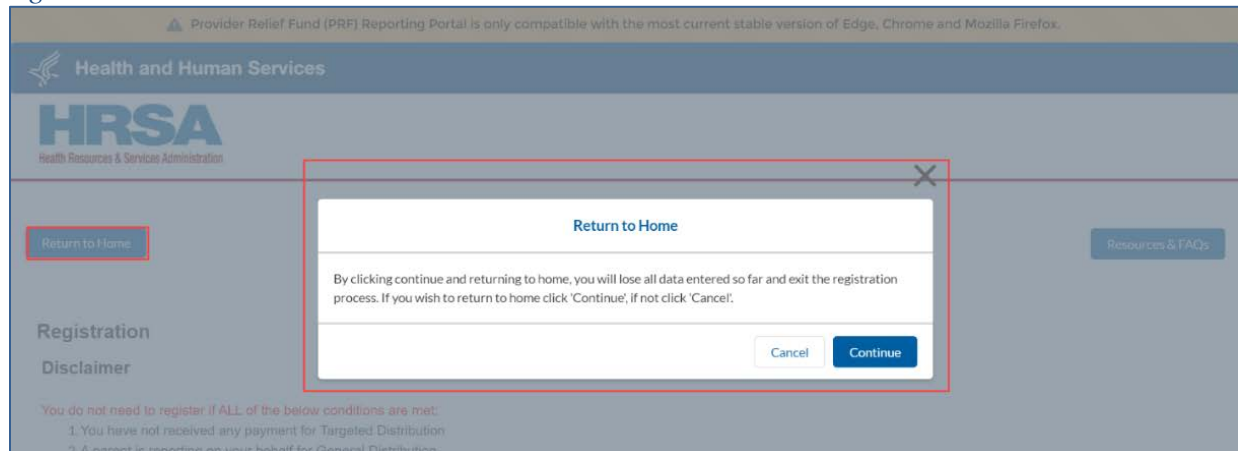

Links to key PRF resources are available to reporting entities on the home screen and within the portal. They may be accessed on the home screen before beginning registration or by clicking on the blue ‘Resources & FAQs’ button in the upper right corner of the screen of the portal. Clicking the ‘Resources & FAQs’ button will open a new browser tab as shown in *Figure 1 Resources and Help Screen* which will avoid exiting the registration process early and inadvertently losing data already entered.

Figure 1 Resources and Help Screen

If at any point the user would like to exit the PRF Reporting Portal, they can click on the blue ‘Return to Home’ button in the upper left corner of any of the registration screens. If this button is clicked, the user will be prompted with a message informing them that all data entered will be lost and the user will be redirected to the home screen. *Figure 2 Return to Home Screen* displays both the ‘Return to Home’ button and the pop-up message that confirms that the user would like to Return to Home and lose all data previously entered.

Figure 2 Return to Home Screen

In addition to this ***PRF Reporting Portal User Guide – Registration***, reporting entities should reference the following key PRF resources during the registration process:

- [PRF Frequently Asked Questions \(FAQs\)](#)
- [PRF Reporting and Auditing Requirements](#)
- [PRF Terms and Conditions](#)
- [PRF General Information](#)
- [Reporting Resources](#)

Information entered by portal users will not be saved until the registration is submitted successfully. **A user's registration session in the PRF Reporting Portal will timeout after 15 minutes of inactivity and information entered will be lost upon timeout.**

2 PRF REPORTING PORTAL HOME SCREEN

The PRF Reporting Portal home screen allows reporting entities to create an account, access key resources, and login to submit a report on the use of funds.

2.1 HOW TO ACCESS

The PRF Reporting Portal can be accessed at <https://prfreporting.hrsa.gov>. The PRF Reporting Portal is only compatible with the most current version of Microsoft Edge, Google Chrome, and Mozilla Firefox.

3.2 STEP 1 – PROVIDER IDENTITY INFORMATION

The first step of the registration process is shown in *Figure 5 Provider Identity Information Screen*. This step requires that reporting entities share identifying information including the TIN (or other number submitted during the application process [e.g., Social Security Number (SSN), Employer Identification Number (EIN)]), business name (as it appears on IRS Form W-9),

contact information, and address (as it appears on an IRS Form W-9). **It is very important to enter the TIN correctly as a reporting entity will only be able to register a primary TIN one time.** The TIN entered here may be the TIN of a parent entity that is submitting a consolidated report on behalf of its subsidiaries.

The contact email address must be a valid, monitored email address. The contact email address associated with each PRF Reporting Portal account will be used for any PRF communications that are necessary in the future, including but not limited to questions about the reporting entity's registration, updates on the reporting portal, and questions about the reporting entity's report on the use of funds. If one individual is responsible for registering and submitting reports for multiple entities, the same **contact** email address may be used. A confirmation email message will be sent to the email address reported on this screen when registration is successfully completed.

The contact email address and username do not need to be the same, but they can be. The username must be in the form of an email address and the username created must be unique for each non-consolidated report being submitted, even if the **contact** email address is the same for each entity. *Please confirm the exact username (including the spelling) as this cannot be changed once submitted.* The username will be used to log into the PRF Reporting Portal, along with the TIN and password. Communications will be directed to the **contact** email address, not the username. For two-factor authentication preferences, the portal user will be able to select either the mobile number or the email address entered in this page.

Portal users should choose from a drop-down list in the 'State' field. The 'State' field defaults to 'Alabama' and must be corrected before the user proceeds to the next screen.

Portal users must enter all of the required information (marked by a red asterisk[*]) and click 'Next' at the bottom of the screen. Users should hover or click on the tooltip icon (❗) to see additional details about data entry fields. For some data entry fields, users are required to enter information in a particular format or style. For example, the phone number must consist of only ten digits and no special characters, such as brackets and dashes ('(', ')', '-'); the username must be in the form of an email address and is not case sensitive (i.e., AbC123@xyz.org); the ZIP code must be five digits. After portal users have completed all of the required data entry fields without errors, they will be allowed to advance to the next screen.

NOTE: *Save the username, TIN, and password somewhere secure outside of the portal as you will need this information to log into the portal for reporting purposes at a later date.*

If the user has not completed a required field, an error message in red will appear below the required data entry fields as shown in *Figure 6 Provider Identity Information – Required Field Error*.

The user will not be able to proceed to the next screen until all required fields have been completed without errors.

Figure 6 Provider Identity Information – Required Field Error

The screenshot displays the HRSA Health and Human Services registration page. At the top, there is a dark blue header with the HRSA logo and the text 'Health and Human Services'. Below this, a white navigation bar contains 'Return to Home' and 'Resources & FAQs' buttons. The main content area is titled 'Registration' and includes a thank-you message and instructions. A progress bar at the top of the form indicates the current step is 'Reporting'. A red note states: 'Note: Fields marked with asterisk (*) are required.' The form is divided into two sections: 'Entity Tax Information' and 'Contact Information'. In the 'Entity Tax Information' section, the '*Tax ID Number (TIN)' field is highlighted with a red border and a red error message 'Complete this field.' below it. A checkbox with the text '*Please ensure the TIN entered is accurate. It is very important to enter the TIN correctly as a Reporting Entity will only be able to register a primary TIN one time.' is present. In the 'Contact Information' section, the '*First Name', '*Last Name', and '*Phone Number' fields are all highlighted with red borders and red error messages 'Complete this field.' below each. The 'Extension' field is visible but not highlighted.

If a user enters a TIN that has already been registered and tries to proceed to the next step of Registration, they will be directed to a screen with an error message as shown in [Figure 7 Provider Identity Information – Duplicate Primary TIN Error](#). If the portal shows this error and the reporting entity has not registered this TIN before, the user should either click the ‘Previous’ button and correct the TIN or call the Provider Support Line for assistance if they think the TIN they entered is correct.

The screenshot shows the HRSA Health and Human Services portal. At the top is a dark blue header with the HRSA logo and the text 'Health and Human Services'. Below the header is a white area with the HRSA logo and 'Health Resources & Services Administration'. There are two blue buttons: 'Return to Home' on the left and 'Resources & FAQs' on the right. In the center, there is a red error message: 'An account already exists for this TIN. For additional assistance, please call the provider support line at (866) 569-3522; for TTY dial 711. Hours of operation are 8 a.m. to 8 p.m. CST (9 a.m. to 9 p.m. EST), Monday through Friday.' At the bottom left, there is a blue button labeled 'Previous'.

NOTE: *In rare circumstances, two reporting entities share a TIN. In these cases, the EIN of a recipient matches the SSN of a second recipient.* In these cases, the user should call the Provider Support Line.

3.3 STEP 2 – SUBSIDIARY INFORMATION

After completing the Provider Identity Information screen, the portal user is taken to the Subsidiary Information screen as shown below in *Figure 8 Provider Identity Information – Subsidiary Information*. Here, the reporting entity will be required to provide a ‘Yes’ or ‘No’ response to ‘Will you report on behalf of subsidiaries that received a **General Distribution** payment?’ as shown in the image. It is very important that reporting entities answer this question correctly, as the answer to this question will affect the data entry on the following screen. Portal users should click on the tooltip to see the help text. If users respond ‘Yes’ to this question, they will be required to enter all of the subsidiary TINs on whose behalf they will be reporting on the next screen.

The main content area is titled 'Registration' and contains a welcome message, contact information for the Provider Support Line, and a progress bar. The progress bar has four steps: 'Registration', 'Reporting', 'Subsidiary Information', and 'Final Review'. The 'Reporting' step is currently active. Below the progress bar, the 'Subsidiary Information' section is displayed. It includes a note about required fields, a question about reporting on behalf of subsidiaries, a dropdown menu with '--None--' selected, and a link for more information on General Distribution. 3.4 STEP 3 – SUBSIDIARY/PAYMENT INFORMATION

After completing the Subsidiary Information screen, the portal user is taken to the Subsidiary/Payment Information screen. Reporting entities will be presented with a screen based upon the responses in [Step 2 – Subsidiary Information](#).

Reporting entities that respond ‘No’ to ‘Will you report on behalf of subsidiaries that received a **General Distribution** payment?’ on the previous screen will be prompted to complete payment information as shown in [Figure 10 Payment Section with No Subsidiaries](#). Portal users must enter all data fields accurately. If any of the payment information entered is incorrect, a reporting entity will not be able to proceed to the next step in the registration process.

Reporting entities that respond, ‘Yes’ to ‘Will you report on behalf of subsidiaries that received a **General Distribution** payment?’ on the previous screen will be prompted to complete a subsidiary TIN(s) field and payment information as shown in [Figure 11 Payment Section with Subsidiaries](#). Reporting entities must provide a comma-delimited list of all subsidiary TINs on whose behalf they intend to report for one or more payments (e.g., 123456789,987654321, 135791357). The subsidiary TIN information will not be validated upon submission, so it is important that portal users enter this information accurately. **Do not re-enter the TIN being registered as a subsidiary or parent of themselves or an error message will appear.**

Reporting entities will be able to review, edit, and validate all of the subsidiary TINs as part of the reporting process. Portal users must then enter accurate payment information for *any one* of the payments they or a subsidiary listed received. If any of the payment information entered is incorrect, a reporting entity will not be able to proceed to the next step in the registration process.

Portal users will not be able to proceed to the next screen until all required fields have been completed.

On the payment information screen, reporting entities must enter information for *any one* of the payments made to their TIN or any of the subsidiary TIN(s) on whose behalf they are reporting. The payment information submitted during registration is used for identity verification purposes. Users must choose a ‘Mode of Payment’ (‘Direct Deposit ACH’ or ‘Check’) from a drop-down list. If ‘Direct Deposit ACH’ is selected, a ‘Settlement Date (ACH)’ is required. The settlement date (ACH) is the date the PRF payments were electronically deposited into the recipient’s bank account. This date usually excludes weekends and federal holidays. The date must be formatted as MMM DD, YYYY (e.g., Sep 1, 2020). Portal users may alternatively select the calendar icon in the data entry field and click on the accurate date in the calendar. If ‘Check’ is selected as the ‘Mode of Payment,’ a ‘Check Number’ data entry field will become visible and the user must

complete this data entry field accurately. Again, portal users must enter all payment information accurately. **If any of the payment information entered is incorrect, a reporting entity will not be able to proceed to the next step in the registration process.**

Registration is complete after a portal user certifies the accuracy of the information, enters a password that passes the validation, sets up their security questions successfully and clicks the 'Submit' button. Portal users that successfully register will see a pop-up message with the words 'Registration Successful!' as shown in *Figure 23 Successful Registration Screen*. Portal users that do not see this message may have blocked pop-ups on their computers. Portal users that register successfully will also receive an email from 'PRFReporting-NoReply@hrsa.gov' confirming the registration as shown in *Figure 24 Successful Registration Email*. Portal users should make sure to check their junk mail folder or spam folder if they do not receive the message. The email address 'PRFReporting-NoReply@hrsa.gov' should also be added to the email sender safe list. Please note that this mailbox is not monitored and should not be used to communicate with HRSA staff.

Figure 23 Successful Registration Screen

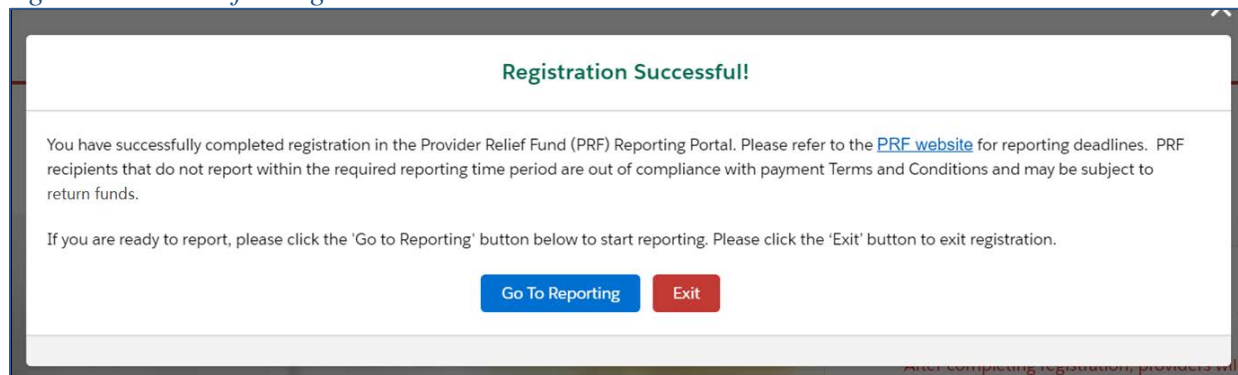

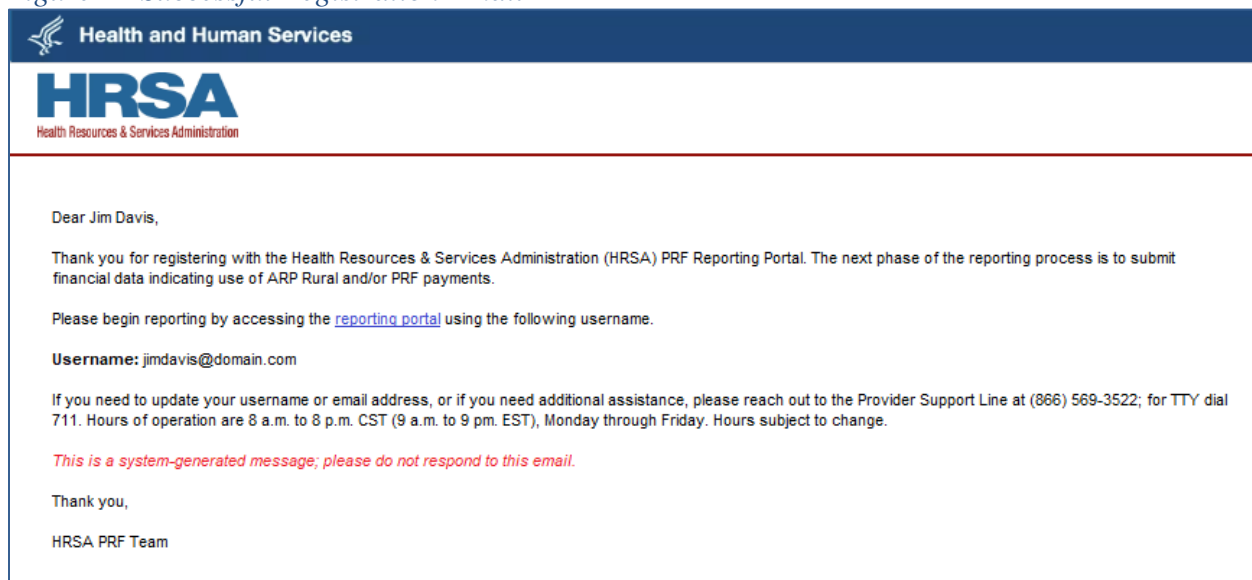

Figure 24 Successful Registration Email

Once registration is completed for a primary TIN, the reporting entity will not be able to re-access the registration data and make changes until reporting.

A reporting entity must keep the contact email address and phone number(s) associated with their account up-to-date because it will be used for communication by HRSA and for two-factor authentication. Registration is completed one time to cover all reporting periods.

Portal users responsible for submission of reports for multiple entity organizations that are not reporting on a consolidated basis must create a new PRF Reporting Portal account for each of the entity organizations for which they are reporting.

3.6 STEP 5 – SET UP TWO-FACTOR AUTHENTICATION PREFERENCE

The PRF Reporting Portal has enhanced the portal security by integrating two-factor authentication (2FA). If you have not configured the 2FA preference, the portal login process will require the user to set up 2FA preference once registration is complete. Upon successful registration, the system will take you to *Figure 25 Set Your Two-Factor Authentication Preferences*.

3.6.1 Preference: Email

By default, the 2FA authentication preference is set to email. The email address is read-only and is pulled from the user profile. (The Reporting Portal preferred verification method is email.)
