

Acceptance of Terms and Conditions

I hereby attest to the following Terms and Conditions on behalf of the provider with the National Provider Identifier associated with this attestation (“Recipient”). I further attest that I am authorized to make such attestation on behalf of the Recipient. The Terms and Conditions below are not an exhaustive list and the Recipient agrees to comply with any other applicable statutes and regulations.

The Recipient plans to submit claims for reimbursement for administering COVID-19 vaccinations to individuals with health plans that do not cover, or only partially cover, COVID-19 vaccine administration fees. The Recipient acknowledges that each time the Recipient submits such claims for reimbursement, each claim must be in full compliance with these Terms and Conditions, and submission of those claims confirms the Recipient’s ongoing compliance with these Terms and Conditions.

The Recipient acknowledges that the Recipient’s full compliance with all Terms and Conditions is material to the Secretary’s decision to disburse funds to the Recipient. Non-compliance with any Term or Condition is grounds for the Secretary to recoup some or all of the payments made.

These Terms and Conditions apply directly to the Recipient. In general, the requirements that apply to the Recipient also apply to subrecipients and contractors, unless an exception is specified.

The Recipient acknowledges and understands the HRSA COVID-19 Coverage Assistance Fund is administered by the U.S. Department of Health and Human Services’ (HHS) Health Resources and Services Administration (HRSA). The Provider Relief Fund (“Relief Fund”) described below is administered by HRSA.

HRSA COVID-19 Coverage Assistance Fund Terms and Conditions

- The “Payment” means the funds received from the Public Health and Social Services Emergency Fund, as appropriated in the Coronavirus Aid, Relief, and Economic Security Act, Public Law 116-136, the Paycheck Protection Program and Health Care Enhancement Act Public Law 116-139, and the Coronavirus Response and Relief Supplementation Appropriation (CRRSA) Act (P.L. 116-260), or any act or subsequent legal authority making appropriations for the coronavirus response and related activities, to administer COVID-19 vaccinations to individuals who have health insurance, but whose health plan either does not include COVID-19 vaccination as a covered benefit or covers COVID-19 vaccination administration but with cost-sharing (for example, a co-payment or deductible). (“Underinsured Individuals”). The “Recipient” means the healthcare provider, whether an individual or an entity, receiving the Payment.
- The Recipient certifies that it is not currently terminated from participation in Medicare, or precluded from receiving payment through Medicare Advantage or Part D; is not currently excluded from participation in Medicare, Medicaid, and other Federal health care programs; and does not currently have Medicare billing privileges revoked. The

HHS Centers for Medicare & Medicaid Services (CMS) administers the Medicare and Medicaid programs, as well as other federal health care programs.

- The Recipient certifies that it, or its agents, provided the items and services on the Recipient's claim form to the Underinsured Individuals identified on the claim form; that the dates of service occurred on December 14, 2020, or later; and that all items and services for which Payment is sought were medically necessary as a preventive vaccination for COVID-19. The Recipient also certifies that to the best of its knowledge, the patients identified on the claim form were Underinsured Individuals at the time the services were provided.
- The Recipient certifies that it will not use the Payment to reimburse expenses or losses that have been reimbursed from other sources or that other sources are obligated to reimburse. If the Recipient subsequently receives reimbursement for any items or services for which the Recipient requested Payment from the Relief Fund, the Recipient will return to HHS that portion of the Payment which duplicates payment or reimbursement from another source. The Recipient will not include costs for which Payment was received in cost reports or otherwise seek uncompensated care reimbursement through federal or state programs for items or services for which Payment was received.
- The Recipient shall submit reports as the Secretary of Health and Human Services (the "Secretary") determines are needed to ensure compliance with conditions that are imposed on this Payment, including all relevant claims data, and such reports shall be in such form, with such content, as specified by the Secretary in future program instructions directed to all Recipients. The Recipient acknowledges and agrees that the Secretary will share relevant claims data with components of the U.S. Department of Health and Human Services (HHS).
- The Recipient consents to the Department of Health and Human Services publicly disclosing the Payment that Recipient may receive from the Relief Fund.
- The Recipient certifies that all information it provides as part of its application for the Payment, as well as all information and reports relating to the Payment that it provides in the future at the request of the Secretary or Inspector General, are true, accurate and complete, to the best of its knowledge. The Recipient acknowledges that any deliberate omission, misrepresentation, or falsification of any information contained in a request for reimbursement or future report may be punishable by criminal, civil, or administrative penalties, including but not limited to revocation of Medicare billing privileges, exclusion from federal health care programs, and/or the imposition of fines, civil damages, and/or imprisonment.
- Not later than 10 days after the end of each calendar quarter, any Recipient that is an entity receiving more than \$150,000 total in funds under the Coronavirus Aid, Relief, and Economic Security Act (P.L. 116-136), the Coronavirus Preparedness and Response Supplemental Appropriations Act (P.L. 116-123), the Families First Coronavirus Response Act (P.L. 116-127), or any other Act primarily making appropriations for the coronavirus response and related activities, shall submit to the Secretary and the Pandemic Response Accountability Committee a report. This report shall contain: the

total amount of funds received from HHS under the foregoing enumerated Acts; the amount of funds received that were expended or obligated for each project or activity; a detailed list of all projects or activities for which the funds were expended or obligated, including: the name and description of the project or activity, and the estimated number of jobs created or retained by the project or activity, where applicable; and detailed information on any level of subcontracts or subgrants awarded by the Recipient or its subcontractors or subgrantees, to include the data elements required to comply with the Federal Funding Accountability and Transparency Act of 2006 allowing aggregate reporting on awards below \$50,000 or to individuals, as prescribed by the Director of the Office of Management and Budget.

- The Recipient shall maintain appropriate records and documentation including, as applicable, documentation described in 45 CFR § 75.302 – Financial management and 45 CFR § 75.361 through 75.365 – Record Retention and Access, and other information required by future program instructions to substantiate Payments under this award. The Recipient shall promptly submit copies of such records and documentation upon the request of the Secretary, and Recipient agrees to fully cooperate in all audits the Secretary, Inspector General, or Pandemic Response Accountability Committee conducts to ensure compliance with these Terms and Conditions.
- The Recipient agrees that all claims it submits will be full and complete (i.e., no interim bills or corrected claims). The Recipient acknowledges that all payments are final and there will be no adjustments.
- The Secretary will reimburse the Recipient generally at 100 percent of national Medicare rates (including any amounts that would have been due to the provider as patient cost-sharing) for the items and services that Respondent provided to Underinsured Individuals for which the Recipient submits claims to the Relief Fund unless otherwise noted. If there is no Medicare standard rate, a calculated average rate will be used. Exclusions from coverage and alternatives to where Medicare rates do not apply are outlined in the program details.
- The Recipient certifies that it will not engage in “balance billing” or charge any type of cost-sharing for any items or services provided to Underinsured Individuals receiving a COVID-19 vaccination for which the Recipient receives a Payment from the Relief Fund. The Recipient must not sell or seek reimbursement from an Underinsured Individual for any COVID-19 vaccine and any adjuvant, syringes, needles, or other constituent products and ancillary supplies that the federal government provides at no cost to the Recipient. The Recipient shall consider Payment received from the Relief Fund to be payment in full for such COVID-19 vaccine.
- If the Recipient, prior to signing these Terms and Conditions, charged any Underinsured Individuals a fee relating to COVID-19 vaccination for which the Recipient subsequently received a Payment from the Relief Fund, the Recipient will communicate to the Underinsured Individuals that they do not owe Recipient any money for the items or services relating to that COVID-19 vaccination. If an Underinsured Individual paid the Recipient for any portion of such vaccination, the Recipient will timely return the payment to the Underinsured Individual.
