Federal Funding Accountability and Transparency Act (FFATA): Executive Compensation Reporting Requirements

Reporting total compensation for each of your 5 most highly compensated executives for the preceding completed fiscal year.*

If prime recipient and/or sub-recipient meet all of the following criteria:

- **80% or more** of prior year annual gross revenues are from Federal awards;
- **$25 million or more** in annual gross revenues are from Federal awards; and
- The public does not have access to compensation information filed under SEC and IRS requirements.

You must report executive total compensation by the end of the month following the month in which this award is made, and annually thereafter.

*If the total Federal funding authorized to date under this award is $30,000.00 or more.
