Pathways Community Hub
Managed By NEON

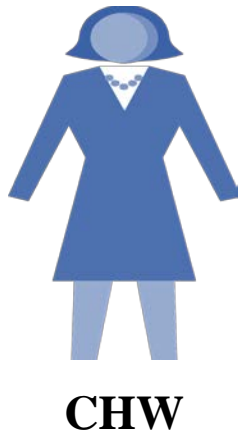

CHW to provides direct navigation services to the Community Member they work with

Pathways

- **Interventions** targeting specific needs of the **Community Member**
- **Pathways** selected through **collaboration** between the **Community Member** and the **CHW**
- **Payments** to partner organizations linked to **outcomes**
 - **Successful Pathway completion**

Example of a Pathway (Social Service Referral- housing insecurity):

Initiate	Intervention		Measure
Housing insecurity identified	Make an appointment to apply for housing benefit	Ensure the application was submitted	Verify the Community Member received the benefit
