Dear Manufacturers,

I am writing on behalf of Family Health Centers of San Diego (FHCSd); 340B ID CH093120 and 340B ID FP92102 to inform manufacturers that FHCSd recently underwent an audit by the Health Resources and Services Administration (HRSA) of FHCSd's compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, FHCSd qualified for the 340B Program as a federally qualified health center (FQHC) and a family planning clinic (FP) located in San Diego, CA and has participated in the 340B Program since 1992.

Through the audit process, FHCSd was found to have non-compliance within their 340B Program and responsible for repayment as a result of the following finding:

Dispensed a 340B drug to an ineligible individuals, as prohibited by 42 USC 256b(a)(5)(B)

FHCSd has identified all affected manufacturers and has contacted each to notify them of these violations to begin a dialogue on a method for repayment to affected manufacturers. It is estimated that the amount owed to the seven manufacturers will be \$ 158 per manufacturer. If manufacturers have not received notification from FHCSd and believe repayment may be owed for the violations described in this letter, or if you have any questions or comments regarding the violations described in this letter please contact Ricardo Roman, CFO, 619-515-2304, 823 Gateway Center Way, San Diego, CA 92102.
