

Dear Manufacturers,

I am writing on behalf of CHC of Snohomish County [340B IDs: CH10228B, CH10228D, and CH10228E] to inform manufacturers that CHC of Snohomish County recently underwent an audit by the Health Resources and Services Administration (HRSA) for CHC of Snohomish County's compliance with 340B Drug Pricing Program (340B Program) requirements.

As background, CHC of Snohomish County, qualified for the 340B Program as a Federally Qualified Health Center (FQHC) and has participated in the 340B Program since July 1, 2001.

Through the audit process, CHC of Snohomish County was found to have noncompliance within their 340B Program and responsible for repayment as a result of the following findings:

Finding 2: CHC of Snohomish was billing Medicaid contrary to information contained in the HRSA Medicaid Exclusion File. This action may have resulted in duplicate discounts as prohibited by 42 USC 256b(a)(5)(A).

CHC of Snohomish County has identified all affected manufacturers and has contacted each to notify them of these violations and to begin a dialogue on a method for repayment to affected manufacturers. If manufacturers have not received notification from CHC of Snohomish County and believes repayment may be owed for the violations described in this letter, or if you have any questions or comments regarding the violations described in this letter, please contact:
